

PRIM ENERGY SERVICES

Expert Oil & Gas Solutions

We Don't Inspect Assets - We Prevent Million Dollar Failures.

THERMAL INTELLIGENCE EDGE

We deploy advanced thermal drone technology to identify failures before they happen - giving you visibility no competitor can match.

Drone Fleet

- DJI M30T - Thermal
- DJI Matrice 4T - Thermal
- DJI Matrice 3T - Thermal
- DJI Mavic Pro

Why This Matters

- Detect failures invisible to traditional inspection
- Prevent shutdown events costing \$150K+
- Increase safety and reduce field exposure
- Execute faster with better data
